How did you get to know about the Mercedes-Benz W 123-Club e.V.?

.....

Preconditions for Membership

The main goal of our club is to support cars and owners of cars in original condition. Our club aims to support cars in an original condition. If irreversible changes have been made to the vehicle, a request for membership can be rejected. We ask for your understanding. The decision is based a current photo which has to be attached to this request for membership.

Membership Fee, Admission Fee and Mode of Payment

The annual subscription is 50 Euro. The one-time admission fee is 10 Euro. If you join us between July and December you will only have to pay half of the membership fee (25 Euro) plus admission fee. If you are a member of another official Mercedes-Benz club, the admission fee will not be applied.

For organisational reasons, only payment by direct debit will be accepted. Requests for membership will therefore only be accepted when the direct debit authorisation is given and signed. Exceptions will be accepted when the applicant hasn't got a german banking account. In this case, please contact us.

Direct Debit Authorisation

The Mercedes-Benz W123-Club e.V. is authorized to collect the membership fees and the admission fee. This authorisation may be cancelled at any time.

Account holder:
